

HOME PARTS PICTORIAL

Common Violations:

- Roof fixtures, including the expansion block and flashing should be painted black. There should be no staining or rusting.
- Fascia board, attic vents and soffit should be in good condition. No peeling or chipped paint. Check for holes where small animals may reside.
- Don't forget your rake boards! It's easy to miss this area since it's not easily seen. Look for peeling paint and wood rot which is common if neglected.
- Keep gutters and downspouts free from debris and painted.
