

December 17, 2020

**NOTICE REGARDING 2021 ANNUAL MEETING FOR**  
**MOUNT AIR CONSERVANCY**

Dear Mt. Air Homeowners:

The Association Board of Directors has considered the options available to them to hold the Annual Members Meeting in the regularly scheduled month of January. Due to COVID19 and the social distancing restrictions, need for a large meeting facility, lack of available meeting places, collection of proxies to meet quorum, and limitations of virtual meetings, the Board has decided to postpone the meeting and subsequent board member elections to a future date not yet confirmed but possibly in April.

As always please visit Mt. Air's website, [www.mountair.org](http://www.mountair.org), for updates of Association business.

Should you have any questions, please do not hesitate to contact me by phone, fax or text at 703-945-1425.

Respectfully,

*Lori Randall*
